Hi Sandra,

I hope I've done People Plus in time for you. I've attached a screen capture.

I did website updates about the BP Whiting oil spill on Saturday (15 min.) and Sunday (30 min.) but I don't know how they're supposed to be recorded, so I just left them as Regular Hours for now.

I'll check your email and see what else I need to do, but for now, here's People Plus.

Thank you,
Karen
